

Job Posting: May 12, 2013

POSITION:

Applicator

COMPANY PROFILE:

Showing success for nearly 175 years is the reason why our farm business is recognized not only nationally but also internationally in the Agriculture industry. Due to recent growth they are now seeking to add an Applicator in the Leesburg, IN area to their dynamic team. If you are ready to grow in your career and bring your perspective and ideas into a business, here is your chance.

WHAT THIS COMPANY OFFERS YOU:

Within a friendly and fun work environment you will work with other quality Ag professionals. This position is hourly bases - + depending on experience in addition to other potential crop production bonuses.

As well as a full benefits package including health, 401K, life, paid vacation and holidays and more.

If you are ready to start your career today with a great company, here is your chance as advancement opportunities are available.

THE ROLE YOU WILL PLAY:

As an applicator you will apply fertilizer, crop protection products with company's equipment, as well as assist with necessary maintenance of the latest equipment utilizing the latest in technologies.

We are a farm operation operating nearly 18,000 acres of larger size fields on a quality land base as well you will be supported by a dynamic team of employees.

Responsible for the recording and maintenance of the application data electronically .

In this position you will also be accountable for repairing, rebuilding, and maintaining location equipment as needed. (currently all spray equipment is traded annually for new models)

Operate agriculture equipment in addition to Commercial Application.

Assist in other duties as assigned, including inventory control, warehouse duties and while adding support in other areas of the farm

COMMUNITY:

Live in a safe neighborhood with great people all around.

Enjoy the friendly restaurants, shops and bars that this community has to offer, while you will soon feel at home and be welcomed.

If you love the outdoors this is the place to be, with excellent fishing year round and hunting beyond words. This place can offer you something no other state can, the Indiana Lakes Region , not only is this one of the biggest tourist attractions but you will be located in the heart of all the action.

However, if spending time outdoors and enjoying peace and quiet isn't your thing, then feel free to make a short drive or choose to live in a nearby thriving community. This area has bigger shops, bars, restaurants, tourist attractions, drive-in movie theater, and more!

You won't find yourself bored here, there are local events and festivities year round for you to take part in. With affordable housing costs, it gives you a little extra cash in your pocket to spend it where you feel necessary make this your hometown community today!

BACKGROUND PROFILE:

1+yrs. Experience in Application or Ag industry experience.

Candidate should possess an agricultural background.

Self-motivated, team player, and ability to work independently.

Must have a valid driver's license.
